

Massachusetts Department of Environmental Protection
Bureau of Waste Prevention
Certification of Transfer of Carbon Benefits
For Use With Form BWP AQ 28

The purpose of this form is to allow persons and entities to formally inform the Massachusetts Department of Environmental Protection (MassDEP) that rights to carbon benefits associated with projects for which an Application of Verification of GHG Credits (BWP AQ 28) is being submitted to MassDEP have been appropriately transferred to the applicant. In order for MassDEP to be able to create verified GHG Credits for reduced, avoided, or sequestered emissions, MassDEP must be assured that no party other than the applicant will claim the same benefits associated with operation of the project during the verification period.

A. Applicant & Project Information

Important:
When filling out forms on the computer, use only the tab key to move your cursor - do not use the return key.

1. Identify the Application for Verification of GHG Credits by Applicant and Transmittal Number:

Applicant Name

Transmittal Number

2. Identify the specific project and time period for which carbon benefits are being transferred:

Project Name

Time Period

3. Identify the person, company, or organization submitting this form:

Person, Company or Organization

Telephone Number

Fax Number

Email Address

Relationship to Applicant and Project

4. Explain how and when rights to carbon benefits have been, or will be, transferred to applicant:

B. Certification

I certify that I have personally examined the foregoing and am familiar with the information contained in this document and all attachments and that, based on my inquiry of those individuals immediately responsible for obtaining the information, I believe that the information is true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including possible fines and imprisonment.
